INTERMEDIATE ARCHITECT

[Assembledge+](http://www.assembledge.com) is an architecture and urban planning firm noted for creating elegant and thoughtful designs that range from high-end residences, corporate buildings, interiors and urban design. Located in Los Angeles, the firm is driven by a commitment to collaboration and craftsmanship with the goal of creating enduring environments that are user-focused, innovative and sustainable. To date **Assembledge+** has received numerous regional and national awards, including AIA|LA Residential Architecture Awards, Architizer A+ Award, and American Planning Association Awards.

Please visit us at www.assembledge.com to learn more about our work.

We have an immediate need for a talented and driven Intermediate Architect with experience in residential design: both single-family and multi-family to join our Los Angeles based office.

Considered applicants must have:

- 5-7 years of professional work experience through all phases of design
- An exceptional portfolio of student and professional work
- A passion for, and commitment to design excellence
- A flexible and proactive approach to work as part of a team
- A strong desire to develop as a professional
- An ability to express ideas in a clear and effective manner through a variety of media
- Well organized, with excellent interpersonal and communication skills
- Capable of detailing and producing construction documents
- Experience with consultant coordination
- Proficient in REVIT, AutoCad, Rhino, Sketch-up and Adobe Creative Suites
- Degree in Architecture, Master's degree desirable
- U.S. citizen, hold a green card or have work authorization
