### **JUNIOR TO INTERMEDIATE ARCHITECT**

[Assembledge+](http://www.assembledge.com) is an architecture and urban planning firm noted for creating elegant and thoughtful designs that range from high-end residences, corporate buildings, interiors and urban design. Located in Los Angeles, the firm is driven by a commitment to collaboration and craftsmanship with the goal of creating enduring environments that are user-focused, innovative and sustainable. To date **Assembledge+** has received numerous regional and national awards, including AIA|LA Residential Architecture Awards, Architizer A+ Award, and American Planning Association Awards.

Please visit us at [www.assembledge.com](http://www.assembledge.com) to learn more about our work.

We have an immediate need for a talented and driven Junior to Intermediate Architect to assist in all phases of project delivery from schematic design through construction documents and construction administration.

#### **Considered applicants must have:**

- 3-5 years of professional work experience through all phases of design
- Professional degree in Architecture
- Strong organizational, communication and coordination skills required.
- A flexible and proactive approach to work as part of a team
- A strong desire to develop as a professional
- Proficient in REVIT, AutoCad, Rhino, Sketch-up and Adobe Creative Suites
- U.S. Citizen and must be a current Southern California resident
